

Rockport Music On the Town is a free, day-long celebration on July 11, 2026 that fills Rockport with music, performances, and creative experiences. Pop-up concerts and outdoor performances unfold throughout town - from the farmers' market at Harvey Park to Bearskin Neck, Front Beach, and beyond - while the Shalin Liu Performance Center opens its doors for tours, hands-on activities, and a collage concert featuring community artists.

At Millbrook Meadow, contemporary circus and live music come together under a tent - featuring a midday Mixtape picnic performance with Circus 617 and the Balourdet String Quartet to an evening with the Boston Circus Guild and high-energy music. In addition, audiences can try circus themselves - guided by world-class teaching artists from Seaside Circus Cape Ann, in addition to seeing them perform.
